Are you ready to Think Outside the Box?

This day long seminar covers the basics for those new to the home school adventure and serves as encouragement for those with 1-5 years experience.

Discover the options of starting the education process before Kindergarten. Examine relaxed and traditional approaches plus review appropriate curriculum and activities to use from the pre school age through fifth grade.

Barb will cover the following topics and answer questions during the workshop to help you set up your program and transform your home school journey from “anxiety to joy!”
